Model #: A012-006

Audio/Video - 6-ft. S-Video Gold Cable

Highlights

- Constructed of high quality , 99.99% pure solid copper conductors
- True 75 ohm impedance for maximum bandwidth
- Double-shielded construction provides superior protection against EMI/RFI
- Excellent noise isolation with 100% aluminum mylar foil/braid shielding

Description

Tripp Lite's Premium S-Video Gold Cable offers superior video quality, resulting in brighter, more saturated colors, and sharper images. S-Video separates brightness from color, using two separate coaxial conductors to create clean, accurate signals. Tripp Lite warrants this cable to be free from defects in material and workmanship for life.

Applications

- Home Theater applications that require premium cabling for the ultimate audio and video experience

System Requirements

- Home theater equipment with S-Video connectors

Package Includes

- 6 ft. S-Video Gold Cable

Features

- Superb video clarity resulting in brighter colors and sharper images
- Premium-grade, 99.99% pure copper conductors
- 24kt gold precision machined connector provides solid contact and resistance to corrosion
- Double-shielding ensures maximum protection against electromagnetic and radio frequency interference
